In 2015, Max Krempasky was involved in an ATV accident which should have ended his life, or left him paralyzed. Max is the great grandson of Mr. Whitmer. Max was rushed to Dayton Children's where he had multiple surgeries and spent five weeks in intensive care. After intense rehabilitation he was able to return to school four months after the accident. Today, with his awesome smile and outgoing personality, you would never know that anything had happened to Max! The Krempasky and Whitmer family will always be grateful for Dayton Children's and the optimal care they provided to Max and our family.
